**EXECUTIVE SUMMARY:** This ordinance adopts the amendments to the FY2010 Budget that are included as Exhibit A. ### **GENERAL FUND BUDGET AMENDMENT AND BUDGET TRANSFERS**

The budget amendment increases the General Fund budget by \$66,741 and approves budget transfers totaling \$212,166.

The amendment includes the following new appropriations that increase the General Fund budget:

- Recycling Grant, \$20,000;
- Lobbyist services for the FY2010 legislative session/Seminole compact, \$20,000;
- Fire Prevention inspection & billing software module, \$18,896;
- Reinstatement of Landscaping Division, \$7,845.

These budget increases are funded by the following revenue sources:

- Intergovernmental grants, \$20,000;
- General Fund Reserves, \$46,741: \$20,000 for lobbyist expenses; \$18,896 in previously collected/reserved Fire Prevention Technology Fees for the software purchase; \$7,845 for

landscaping division costs that cannot be absorbed by the existing budget for the related positions.

The budget amendment additionally includes interdepartmental and intradepartmental budget transfers totaling \$212,166. These transfers do not increase or decrease the overall General Fund budget, but do shift budgeted dollars among expenditure accounts. The ordinance includes the following budget transfers:

- Transfer of \$56,429 from Planning & Zoning's payroll and contractual services accounts to the Non-Departmental Transfer to Capital Projects account to provide matching funds for the RAC Bus Shelters Grant and the Oakes Road Enhancement Grant;
- Transfer of \$42,820 from Planning & Zoning's payroll and Office & Misc. accounts to Public Works for the reinstatement of the Landscaping Division within Public Works and the associated title changes;
- Transfer of \$42,600 from Fire Rescue's Education & Training account to three other Fire Rescue accounts. \$8,000 for the purchase of Fire Rescue software, \$18,600 for emergency management to inspect/wind rate Town buildings and identify mitigation measures, and \$16,000 to building maintenance to expand the department's data room and add a dedicated a/c unit;
- Transfer of \$1,717 from the Building Division's contractual services account to its capital outlay account to cover the final payment of the division's FY2009 renovation project;
- Transfer of \$29,100 between divisions in Public Works for payroll costs related to the reinstatement of the Landscaping Division within Public Works Administration and the correlated elimination of a Maintenance Tech I position;
- Transfer of \$34,500 from various Parks & Recreation's utilities and communications accounts to support projected Park Ranger overtime costs through the end of the fiscal year;
- Transfer of \$5,000 from Housing & Community Development's consultant services account to its building maintenance account to cover janitorial services at the one-stop center.

#### COMMUNITY DEVELOPMENT BLOCK GRANT FUND BUDGET AMENDMENT

The ordinance increases the CDBG Fund budget by \$580,619 for the Neighborhood Stabilization Grant. The amendment is entirely supported by Federal grant funding approved in prior fiscal years, but which remains unspent as of 9/30/2009 and is currently unbudgeted for FY2010.

#### PARKS & OPEN SPACE IMPACT FEES FUND BUDGET AMENDMENT

The ordinance increases the Fund's budget by \$40,000 for the Skateboard Area at Pine Island Park. The Town Council directed staff to pursue this project at its December 16, 2009 meeting under Item 8.1 Old Business. The complete project is still pending Council approval as part of the amendment to the 5-Year Capital Improvements Plan for FY2010-FY2014.

## **WATER & WASTEWATER FUND BUDGET AMENDMENT**

The ordinance approves \$100,000 in budget transfers from Utilities' payroll and contingencies accounts to cover year-to-date and projected overtime costs through the end of the fiscal year.

**PREVIOUS ACTIONS:** The FY2010 Budget was adopted through Ordinance 2009-23 on 9/21/2009. It was amended by Ordinance 2010-3 on 2/3/2010 and Ordinance 2010-8 on March 23, 2010.
